

[Education Quizzes](#) is a favourite source of revision for parents, teachers and children aged 5 to 16. There are over 3,000 interactive quizzes written by teachers. We have suites of quizzes on most of the subjects that students are taught at school. The quizzes are fast, effective and fun.

We are a one-stop-shop / comprehensive site for National Curriculum based education quizzes across the most common subject areas. This can be supported by the following facts:

- Our quizzes cover the variety of questions and subject areas focused on by different exam boards.
- Our quizzes cover more than 90% of the overarching National Curriculum.
- We provide an easy to use and fun learning environment and method for all children students and teachers.

The quizzes are based on a scientifically-proven method of learning that embeds knowledge in the long-term memory far more effectively than passive learning.

The site is trusted by thousands of parents and educators, as evidenced by the numerous testimonials. Related to this, the site is used and endorsed by students, teachers, tutors, and schools.

## Testimonials

***'Firstly, I've found your quizzes invaluable during the lockdown, for my Science & Physics pupils. I find it particularly good that your philosophy is based on cognitive science principles and evidence-informed practice.'***

SARAH - 18TH JUNE 2020

***'I would like to say thank you for providing such a fantastic website. Myself and my partner are both maths teachers and use it on a daily basis with hundreds of our students.'***

PETER - 14TH SEPTEMBER 2015

***'We found Education Quizzes extremely useful when our son was revising for the 11+ which he passed. The practice for the exam was intense so to be able to go on to Education Quizzes on the iPad was a welcome break for him.'***

***'He tells me he found Education Quizzes fun and looked forward to his time on it.'***

THE TIWANAS - 30TH AUGUST 2017

***'I can't wait to start using the services with my students, it will be a massive help!'***

AMY - 17TH AUGUST 2021

***'My son used you site quite frequently when he was studying for his GCSE's, as he has Asperges Syndrome and struggled with his studies at school. He found the site very educational, beneficial and was able to study at his own pace and in a fun way, retaining the information he was gaining from the site.'***

***'The site was a great foundation and the building blocks for his future studies. My son is now coming to the end of his A levels and has just gained a placement at University to study a BSc (hons) in Computer Systems & Development.'***
