Printed Quiz | Secondary Schools | General Knowledge for Class Use (4)

This printed quiz is for use with secondary school students and is intended for use in class or as homework. The PDF file prints firstly the questions complete with answers and then the questions without answers but with spaces left for answer insertion by the students. The questions are about general knowledge in a wide range of subjects suitable for children of this age. The Education Quizzes website contains many different quizzes for schools that can be used by teachers free of charge.
