

#### KS1 English Quiz - Past Tense - Ate or Eaten (Questions)

Practise learning about past tense, specifically for the words ate or eaten. This quiz helps KS1 children know how to use both terms and teaches them the helping words when using 'eaten'. This quiz will aid children's understanding of past tense, as suggested in the National Curriculum. In addition, it will boost their knowledge of literacy and English.

If you eat something now, you eat it. However, if you ate it yesterday, then you had eaten it in the past. Test your knowledge on the words 'ate' and 'eaten'.

### Education Quizzes

5. 'The jumper \_\_\_\_\_ eaten by moths.' Which helping word would we use?

- [] had
- [x] was
- [ ] have

If you see a moth in your bedroom make sure you get it out and away from your cupboards as they like to eat jumpers. Although, it isn't the moth that eats them but the larvae.

7. Which of these is not a helping word for 'eaten'?

- [x] dog eaten
- [ ] has eaten
- [ ] have eaten
- [ ] is eaten

We could say she has eaten, we have eaten or bread is eaten all over the world.

6. 'Baby Bear's porridge had \_\_\_\_\_ eaten by Goldilocks.' Which helping word would we use?

- [x] been
- [ ] was
- [ ] is
- [ ] are

Goldilocks also tried Mummy and Daddy Bears' porridge but gobbled up all of Baby Bear's breakfast!

8. 'He eats his dinner.' Change this to past tense.

- [ ] He ates his dinner.
- [x] He ate his dinner.
- [ ] He eaten his dinner.
- [ ] He eated his dinner.

We could say either he ate his dinner or he has eaten his dinner. If we use the word 'eaten', we must make sure there is a helping word before it.

## Education Quitzees

9. Which sentence is perfect?

- [ ] Meals has eaten on the beach.
- [ ] Meals ate on the beach.
- [ ] Meals eaten on the beach.
- [x] Meals are eaten on the beach.

When using the word 'eaten', make sure you use the correct helping word.

10. Which sentence is perfect?

[ ] He is eaten the burger in two minutes.
[ ] He ates the burger in two minutes.
[x] He ate the burger in two minutes.
[ ] He eaten the burger in two minutes.
Although the first answer does show the helping wo

Although the first answer does show the helping word 'is', it doesn't make sense. If the sentence said 'He had eaten the burger in two minutes,' then it would have been correct.
