- bakers
- soldiers
- farmers
- teachers

10. Which job do we not need to help us build and complete our house?

- electrician
- carpenter
- bricklayer
- sailor

## KS1 English Quiz - Vocabulary - Occupations (Answers)

1. Have a look at the picture, who do we need to finish the job?

- builder
- hairdresser
- postman
- shopkeeper

To build and complete a house, you need lots of professionals to help you. The builder and brick layers lay the bricks but an architect will design the house and how it looks.

2. Look at the picture; what is their job title?

- gymnasts
- firemen
- farmers
- porters

Firemen are part of our emergency services. Other jobs within the 'emergency services' are police and paramedics (doctors in ambulances).

3. This man is a....

- doctor
- chef
- nurse
- guard

It takes about ten years to train to be a doctor.

4. This is a...

- pilot
- flight attendant
- chef
- doctor

A flight attendant helps you during the flight and the pilot will be at the front of the plane flying it!

5. Who would drive a car like this?

- A doctor
- A nurse
- A police officer
- A surgeon

We say policemen and women work in a police station.

6. This lady is a...

- soldier
- teacher
- hairdresser
- fishmonger

We say a hairdresser works in a salon.

7. Which of these jobs does not involve driving?

- bus driver
- taxi driver
- surgeon
- train driver

There are lots of jobs that involve driving. We also need drivers to deliver food to supermarkets and shops.

8. Which of these is not an occupation?

- banker
- shop assistant
- postman
- child

There are so many jobs available, all you need to do is decide what you want to do!

9. These men are...

- bakers
- soldiers
- farmers
- teachers

Even if there isn't a war, we have soldiers and people that

train to be a soldier - just in case. If you are a soldier you work in the army. It's like if you are a teacher, you work for a school.

10. Which job do we not need to help us build and complete our house?

- electrician
- carpenter
- bricklayer
- sailor

These are just three jobs you'd need to complete a house. You would also need a plasterer and painter.
