

KS1 Geography Quiz - Buildings - Parts of a School (Questions)

This quiz addresses part of the requirements of the National Curriculum KS1 for children aged 5 and 6 in years 1 and 2 in Geography. Specifically it looks at the different parts of, and rooms in and around, a school. It is one of 50 quizzes to help you understand the world around you.

In geography at school you find out about different places. One place you know a lot about is your school, or the school near where you live. Do you know the different parts there are in and around a school? Do you know all of the rooms? Can you find your way about inside a school and around the playground? This quiz is all about the different rooms and parts of Sam's school.
