

KS1 Geography Quiz - Change - How Things Change (Questions)

This quiz addresses part of the requirements of the National Curriculum KS1 for children aged 5 and 6 in years 1 and 2 in Geography. Specifically it looks at how we and the things around us change over time. It is one of 50 quizzes to help you understand the world around you.

Things change over time. You are growing. Children go to school. Then they move to a bigger school. Houses are built. Some buildings are pulled down. In the spring, plants grow and there are new leaves on the trees. In the autumn, lots of trees lose their leaves. It is warm in summer and cold in winter. In geography you find out about how we and the things around us change.

1. **Sam is at primary school. When he is 11, what will happen to Sam?**

- He will stay at primary school
- He will go straight to university
- He will move to nursery school
- He will move to secondary school

- Write a story
- Do some sums
- Always do his homework

KS1 Geography Quiz - Change - How Things Change (Answers)

1. Sam is at primary school. When he is 11, what will happen to Sam?

- He will stay at primary school
- He will go straight to university
- He will move to nursery school
- He will move to secondary school

Where is your nearest secondary school?

2. Sam goes to the playground. The old swings are not there. There are new swings in the playground.

What has changed?

- The slide has been replaced
- The slide is no longer there
- There are no longer any swings in the playground
- The swings have been replaced

Which do you like best - swings or slide?

3. Sam's Mum decorates the house for Christmas. After the New Year, what does Sam's Mum do?

- She takes down the Christmas decorations
- She leaves up the Christmas decorations
- She puts up more Christmas decorations
- She puts up new Christmas decorations

How is your home decorated for Christmas and New Year?

4. Sam is in the Year 2 class at his school. In September, what will happen to Sam?

- Sam will move to the Year 1 class
- Sam will stay in the Year 2 class
- Sam will move to the Year 3 class
- Sam will move to the Year 4 class

A lot of children start new classes in September

5. A new housing estate is being built in Sam's town. This means there will be:

- More houses in Sam's town
- Fewer houses in Sam's town
- The same number of houses in Sam's town
- No houses in Sam's town

Are there any new houses being built near where you live?

6. Which one of these changes happens in the spring?

- Trees grow new leaves
- Leaves fall off trees
- Plants stop growing
- The weather becomes much colder

Can you name the four seasons?

7. The bookshop in a town has closed down. It is going to re-open as a clothes shop.

What will change?

- A clothes shop will turn into a bookshop
- A clothes shop will close down
- A bookshop will open
- A bookshop will turn into a clothes shop

What is the nearest shop to where you live?

8. Which one of these changes happens in the autumn?

- Trees grow new leaves
- Leaves fall off trees
- The days get longer
- The weather warms up

Which is your favourite season?

9. In the summer the weather can often change from very hot days to:

- Snow and ice
- Hail and sleet
- Thunder and lightning
- Frost and snow

There are often thunderstorms in the summer

10. Sam wants to find out how the weather changes. What can Sam do to find out?

- Keep a weather diary
- Write a story
- Do some sums
- Always do his homework

Sam should always do his homework, but a weather diary will help him to find out how the weather changes
