

## KS1 Geography Quiz - Change Over Time (Questions)

This quiz addresses part of the requirements of the National Curriculum KS1 for children aged 5 and 6 in years 1 and 2 in Geography. Specifically it looks at some of the big changes that happen over time. It is one of 50 quizzes to help you understand the world around you.

In geography you find out about different places, and about people all round the world. Geography also looks at how things change over time. In this quiz there are ten questions about some big changes that might happen. Some people move from one place to another, or from one country to another. The weather can change. In some countries there might be an earthquake. Let's have a look at some big changes.

|   |   |
|---|---|
| <p><b>1. What can happen if there is too much rain?</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Flooding</li><li><input type="checkbox"/> Drought</li><li><input type="checkbox"/> Freezing</li><li><input type="checkbox"/> Fog</li></ul>   | <p><b>2. What do people need to earn money?</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Jobs</li><li><input type="checkbox"/> Nice clothes</li><li><input type="checkbox"/> New trainers</li><li><input type="checkbox"/> Presents</li></ul>   |
| <p><b>3. In 2014 there was an earthquake in south-west China. What happened during the earthquake?</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Buildings fell down</li><li><input type="checkbox"/> Buildings did not move</li><li><input type="checkbox"/> Buildings grew taller</li><li><input type="checkbox"/> Nothing</li></ul>                 | <p><b>4. Ella lives in Wales. Ella's family are going to live in Australia.</b></p> <p><b>What is changing?</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Nothing - Ella is staying in Wales</li><li><input type="checkbox"/> Ella is moving to Wales</li><li><input type="checkbox"/> Ella is moving to Australia</li><li><input type="checkbox"/> Nothing - Ella is staying in Australia</li></ul>                       |
| <p><b>5. More and more people are moving to big _____.</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Cities</li><li><input type="checkbox"/> Villages</li><li><input type="checkbox"/> Hamlets</li><li><input type="checkbox"/> Farms</li></ul>  | <p><b>6. If the Earth gets a little bit warmer, what will happen to temperatures?</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> Temperatures will go up</li><li><input type="checkbox"/> Temperatures will go down</li><li><input type="checkbox"/> Temperatures will stay the same</li><li><input type="checkbox"/> Temperatures will be freezing</li></ul>   |
| <p><b>7. In 2011 there was a very bad drought in East Africa. What happens in a drought?</b></p> <ul style="list-style-type: none"><li><input type="checkbox"/> There is no wind</li><li><input type="checkbox"/> There is no rain</li><li><input type="checkbox"/> There is no sun</li><li><input type="checkbox"/> There is no warmth</li></ul>                               | <p><b>8.
