

KS1 Geography Quiz - Weather - Effects (Questions)

This quiz addresses part of the requirements of the National Curriculum KS1 for children aged 5 and 6 in years 1 and 2 in Geography. Specifically it looks at the effects of different types of weather. It is one of 50 quizzes to help you understand the world around you.

In this quiz you will be told what the weather is like. You have to choose the effects the different types of weather will have on the world around us.

The weather overlaps science and geography. There are more questions about the weather and recording the weather at Key Stage 1 in the [KS1 Science](#) section, under Seasons and Weather.
