

KS1 Science Quiz - Animals - Pet Care (Questions)

This quiz addresses the requirements of the National Curriculum KS1 Science for children aged 5 and 6 in years 1 and 2. Specifically this quiz is aimed at the section dealing with animals and the care of them, especially for pets.

In school, you may have looked at earthworms or woodlice. What did you do with your minibeasts after you had looked at them? At home, you may have a pet animal. Who looks after and cares for your pet animal? How do you care for your pet? On a farm, animals must be cared for and looked after. Pets and farm animals are called domestic animals. Let's find out a bit more about caring for domestic animals.

1. Tom is at school. It is a science lesson. Tom goes outside and collects minibeasts from under a log. He looks at them with a magnifying glass. What must Tom do when he has finished looking at them?

- Put the minibeasts in the bin
