

KS1 Science Quiz - Animals - Senses (Questions)

This quiz addresses the requirements of the National Curriculum KS1 Science for children aged 5 and 6 in years 1 and 2. Specifically this quiz is aimed at the section dealing with animals and the senses of sight, hearing, touch, smell and taste.

How do we know what is going on around us? We use sight, sound, smell, taste and touch. These are our senses. Other animals also have the senses of sight, sound, smell, taste and touch. These animals also know what is going on around them. Which part of the body do we use for each sense? Why are our senses so important?

1. Which part of our body do we use to taste our food?

- Lip
- Tongue
- Ear
- Skin

2. Which part of our body lets us smell?

- Eye
- Ear
- Nose
- Thumb
