- Potatoes

KS1 Science Quiz - Plants - Food From Them (Answers)

1. What fruit comes from this tree?

- Orange
- Apple
- Banana
- Grape

Do you like eating bananas?

2. Carrots are plants. Which part of the carrot plant do we eat?

- Leaves
- Flowers
- Roots
- Stem

We eat the roots of carrot plants. Turnips and beetroot are roots, too

3. Which one of these foods comes from a plant?

- Roast beef
- Potatoes
- Beefburger
- Bacon

Potatoes come from the potato plant

4. What do we call the foods in the picture?

- Fruit
- Vegetables
