

KS1 Spelling Quiz - Year 1 - Magic e with o (Questions)

Magic e with o tests KS1 children's skills using the sound made in words like 'hope'. The words in this quiz are taken from the National Curriculum.

When there is an e at the end of a word, it changes the vowel into what we call a long vowel sound. The word 'hop' goes from 'o' to 'hope' making the vowel sound longer. Test your spelling skills on these magic e with o words.

KS1 Spelling Quiz - Year 1 - Magic e with o (Answers)

1. Spell the missing word: This is their holiday _____.

- home
- hom
- hoome
- hoame

The sounds 'ow' and 'oa' both make this o_e sound.

2. Spell the missing word: She _____ up and had a stretch.

- woak
- woke
- wook
- wowk

If we say woke, it means it's already happened, If it is happening now we say 'she is waking up'.

3. Spell the missing word: He needed a long _____.

- roap
- rowp
- rop
- rope

Rope is useful to have and there are lots of different knots you can learn!

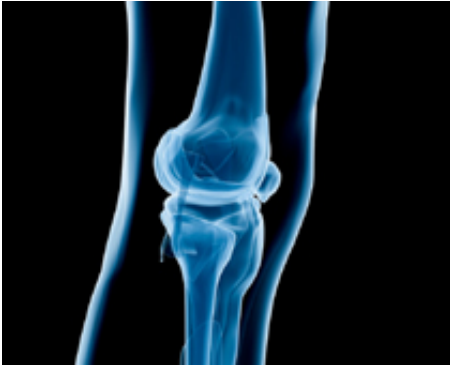

4. Spell the missing word: There was a huge _____ in the road.

- howl
- hole
- hoal
- hoale

Holes in the road can be dangerous and can cause cars to break, especially the suspension.

5. Spell the missing word: This is a picture of a _____.

- bown
- bone
- Boone
- bowne

The kneecap is a bone and is actually called the patella.

6. Spell the missing word: Father Christmas lives in the North _____.

- Powl
- Poole
- Poal
- Pole

Poole is a place near Bournemouth, in England.

7. Spell the missing word: _____ birds are scary!

- Thoase
- Thoas
- Those
- Thoose

This bird is called an emu and is about six foot tall. That's about the height of a very tall man!

8. Spell the missing word: He slid down the _____ on his skis.

- sloap
- sloape
- slowp
- slope

The most popular ski resorts are in The Alps.

9. Spell the missing word: He has a very large _____.

- noase
- noas
- nose
- noos

There isn't a bone between your nostrils, instead there is cartilage.

10. Spell the missing word: They are taking pictures on their _____.

- phoanes
- phones
- phowns
- phanes

The 'ph' makes a 'f' sound and the word is broken up like this: ph + o + n.
