- shock and ches

The youngest chess grandmaster was 13 years old.

3. I ____ I just ____ the bus!

Both these words have the 'tch' sound.

5. I will ____ this puppy as much ____ as it needs!

- giv and lov

Both these words end with a 'v' and if a word ends with that sound, it is almost always followed by a silent 'e'.

6. ____ for all those ____ of chocolates!

- Thank's and boxes
- Thanks and box's
- Thanks and boxs

7. I ____ the bee to stop ____ near my ear.

- arsked and buzzing
- asked and buzzing
- akked and buzzing
- asked and buzing

The word asked is a high frequency word, this means you'll use it a lot in your writing, so it's worth remembering how to spell it!

8. I'm afraid it will ____ on ____.

- rayn and Thursday
- rain and Thersday
- rane and Thursday
- rain and Thursday

If you write a day of the week or a month name, you should always start that word with a capital letter.

9. What is the ____ of tennis if you don't ____ it?

- point and enjoy
- point and injoy
- poynt and enjoy
- poynt and injoy

It's a fair comment - you should only play a sport if you enjoy it as that is the whole point! Also, you should be prepared to lose as it happens to everyone - even Rafael Nadal.

10. I would ____ to ____ the world.

- lik and sayle
- lik and sail
- like and sail
- like and sale

There are two words that sound the same: sale and sail. Sail is to do with boats and sale means items are now cheaper.
