## KS1 Spelling Quiz - Year 2 - Changing the ending to ed (Answers)

1. I asked you to copy it but you've already \_\_\_\_ it.

- copyed

Here, you change the 'y' for an 'i' then add ed. This isn't always the case and only applies to words ending in 'y'.

3. I \_\_\_\_ the phone after he \_\_\_\_ to my question.

- dropped and replied
- droped and replied
- droppped and replied
- droppd and replied

Sometimes you have to double the consonant like in the word 'drop', so add another 'p' then 'ed'.

2. She \_\_\_\_ the mountain and \_\_\_\_ when she got to the top.

- hiked and cryd
- hikked and cried
- hiked and cried
- hiked and cryed

If the word ends in an 'e', like hike, all you need to do is add a 'd'.

4. I \_\_\_\_ when he \_\_\_\_ off the bridge.

- washd and dried

Here the word dry changes to dried.

Here you are changing the word fry to fried.

7. I \_\_\_\_ it really far but eventually I \_\_\_\_ it.

- carryed and dropped
- carried and dropped
- carried and droped

When running in an egg and spoon race, always boil the egg first so that if it does drop you don't get egg everywhere.

8. He \_\_\_\_ his dead hamster.

- buried

Don't worry - this hamster is just asleep.

9. I \_\_\_\_ because I knew I'd \_\_\_\_.

- tidied and cleaned
- tidyed and cleaned
