#### KS1 Spelling Quiz - Year 2 - Ending with ost and oll (Questions)

This 'Ending with ost and oll' spelling quiz tests KS1 children on the spellings with words that end with these two sounds. These spellings are an addition to the curriculum and will be words that are used in Year 2 vocabulary.

Sometimes words end with 'ost' or 'oll'. If you sound out 'ost', it'll be 'oh-st' but actually this trigraph is pronounced 'oe-st'. Sounding out 'oll' would be 'o-ll' but actually it is pronounced as 'ole'. Can you find the missing words with these sounds in?

| There used to be dolls that were trolls and they had different coloured hair. Now they are collectables.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Ghosts make good scary characters in books and films!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

7. Would you like to join me on a \_\_\_\_?

- [x] stroll
- [] strole
- [] stwoll
- [] stwole

A stroll is a leisurely walk. In America, a stroller is the word they use for a pushchair.

9. I'm \_\_\_\_ ready for that ham \_

- [ ] almost and role
- [ ] allmost and roll
- [x] almost and roll

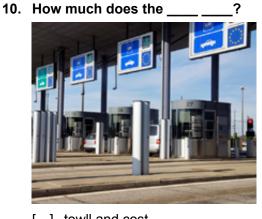

There is a word 'role' but it means a part in a play.

8. He was a great \_\_\_\_\_ and she was a brilliant \_\_\_\_\_.

- [ ] host and hostiss
- [ ] hosst and hostess
- [x] host and hostess
- [ ] host and hostes

Host is what we call men and hostess is the word for women.

- [ ] towll and cost[ ] toll and coste
- [x] toll and cost
- [ ] tol and cost

A toll road is a road where you charged for driving on it.
