

KS1 Spelling Quiz - Year 2 - Spelling Months (Questions)

This 'Spelling Months' quiz is an addition to the spellings suggested in the National Curriculum. However, in school, it is expected that KS1 children should be able to correctly copy the months and remember most of the spellings. This quiz would work as a good extension for those in the last term of Year 2.

There are twelve months in a year and each month should be written with a capital letter. This quiz is going to test you on all the months - can you spell the missing words?

1. The first month of the year is ____.

- Janry
- Januery
- January
- Jannury
